Institute Innovation Cell (IIC) (as per AICTE)

Institute Innovation Cell is established in Higher Education Institute (HEIs) to foster the culture of innovation. The objective is to encourage, inspire and nurture students by supporting them to work with new ideas and transform them into prototypes. IIC is established to promote innovation in the institution through multitudinous modes leading to an innovation promotion eco-system in the campus. Establish Function Ecosystem for Scouting Ideas and Pre-incubation of ideas. Develop better cognitive ability for Technology Students.

Function of IIC:

- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC (Ministry of Education MoEs Innovative Cell).
- Identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students.
- Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.

Benefits to Institute, Faculty and Students:

- Opportunity to nurture and prototype new ideas.
- Mentoring by Industry Professionals.
- Experimentation with new/latest technologies
- Visit new places and learn a new culture.
